Adoption Application

This form is to give us an idea about how the animal will fit your home, lifestyle, and expectations. Please answer all questions with as much detail as possible. Your information is treated as confidential and is not used for any other purpose.

Filling out this application does not guarantee that the dog or cat you choose will be available. Completion of this application does not guarantee adoption of a Fuzz Ball Animal Rescue animal

We carefully review each application and place animals based on a variety of criteria. Ultimately, we will always act in the best interest of the animal. We will conduct a background check on each adult living in the home. We will contact your vet and Fuzz Ball Animal Rescue also conducts home-checks to assure the best possible placement of all our rescue animals.

PLEASE NOTE: It is our policy to only adopt to homes where the current pets:

1. Are up to date on vaccinations;
2. Have been either spayed or neutered; and
3. Have received routine veterinary care.

Applications that do not meet this policy shall be denied.

Please Note: *Our utmost goal is to place all Fuzz Ball Rescue animals in loving forever homes, therefore we reserve the right to deny an application if for any reason we believe the applicant's home is not the right fit for that particular animal.*
